DESIGNER LIGHTING BY LITON

DECORATIVE GLASS PENDANT SERIES

All mounting hardware included

Retrofit kits available for adapting existing recessed and track lighting installations to beautiful glass pendants.
(for 4" & 6" Line Voltage recessed)

Available in two (2) standard popular colors, and over one-hundred (100) custom colors

All pendants stocked for quick delivery in Snow Frost (SF) and Mocha Swirl (MS)
Other colors available as well with extended lead times.
(See back cover)

Available in 3 different light sources to help meet budget and energy efficient needs:
60W A19, energy efficient 4W LED, & 26W GU24 CFL lighting sources

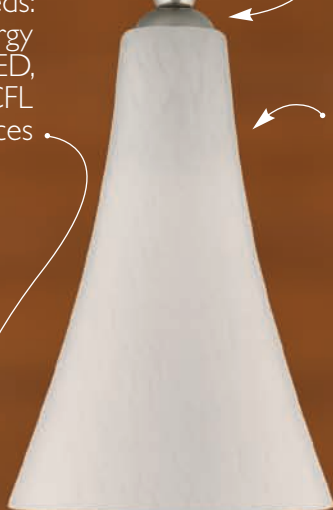

5" (diameter) x 5/8" (thick)

Matching canopy plate mounts to standard electrical boxes for easy installation. All mounting hardware included.

6' cable included. Can be adjusted on the job site to get the perfect desired length for every project.

Die-cast brushed aluminum fittings give a solid construction feel that matches both modern and traditional environments.

Hand-blown quality encased glass adds a unique touch to any interior design.
