

LT812 - DIE-CAST FAZER 38

LINE VOLTAGE TRACK FIXTURES

SPECIFICATION

120V 150W PAR38 MED E26

Application: Very popular in high-end residential and retail environments. These professional grade track fixtures are fully adjustable and their position locking knobs and front-loading designs make them a perfect fit for the most demanding applications. Durable high quality powder coat paint ensures long life with little color fatigue over the years.

Connector: Comes standard with 3-Wire H-Type thermo-plastic track connections. Fixture is factory preset for installation on single-circuit track. Contacts may be easily adjusted to install on two-circuit track via pull-up tab. J-Type and L-Type connections are available with extended lead times - consult factory.

Aiming Mechanism: Fully adjustable die-cast arm with dual plastic finished knobs to rigidly maintain aiming angle.

Socket: Standard porcelain medium screw base socket with high temperature leads.

Finish: High heat rated powder coat Only available in White. Custom finishes available with extended lead times - consult factory.

Label: UL Listed
