

LT815 - ARCHLITE 30 LINE VOLTAGE TRACK FIXTURES

Front Loading Design. Accommodates LP303 Accessory Holder, for use with L8 Series Lenses and LP222 Louver.

SPECIFICATION

120V 75W PAR30 MED E26

Application: Very popular in high-end residential and retail environments. These professional grade track fixtures are fully adjustable and their position locking knobs and front-loading designs make them a perfect fit for the most demanding applications. Durable high quality powder coat paint ensures long life with little color fatigue over the years.

Connector: Comes standard with 3-Wire H-Type thermo-plastic track connections. Fixture is factory preset for installation on single-circuit track. Contacts may be easily adjusted to install on two-circuit track via pull-up tab. J-Type and L-Type connections are available with extended lead times - consult factory.

Aiming Mechanism: High strength steel mounting yoke to provide full lateral and vertical aiming. Dual triangular plastic tightening knobs rigidly maintain aiming angle.

Socket: Standard porcelain medium screw base socket with high temperature leads.

Finish: High heat rated baked enamel Available in White and Black. Custom finishes available with extended lead times – consult factory.

Label: UL Listed
