

LT846 - MINI UNIVERSAL (BARE SOCKET) LINE VOLTAGE TRACK FIXTURES

SPECIFICATION

120V 150W PAR16/PAR20/PAR30 MED E26

Application: This economical track head features a simple design with minimal dimensions that is perfect for out-of-sight installations like coves, sheds, garages, workshops and any place where the lumen output of the lamp is more important than the cosmetic design of the trackhead. Its universal medium base socket accepts most PAR and general service A-type lamps.

Connector: Comes standard with 3-Wire H-Type thermo-plastic track connections. Fixture is factory preset for installation on single-circuit track. Contacts may be easily adjusted to install on two-circuit track via pull-up tab. J-Type and L-Type connections are available with extended lead times - consult factory.

Aiming Mechanism: L-shape steel bracket with single locking screw that rigidly maintains aiming angle.

Socket: Standard porcelain medium screw base socket with high temperature leads.

Finish: High heat rated baked enamel. Only available in Bright White (W-2). Custom finishes available with extended lead times – consult factory.

COMPATIBILITY

 LP913 LINE VOLTAGE ROUND CANOPY	 LP971 LINE VOLTAGE SQUARE CANOPY	 PT57 PLUG-IN CLAMP ADAPTER
 PT58 LINE VOLTAGE CLAMP ADAPTER	 LP 1 CCT TRACK CHANNEL	 LPC 2 CCT TRACK CHANNEL
