

LT893 - BANDERO 38 LINE VOLTAGE TRACK FIXTURES

SPECIFICATION

120V 150W PAR38 MED E26

Application: For a contemporary European feel, these cone shaped fixtures offer an elegant design statement. Their lamp is fully enclosed allowing the cone shape to ensure no light leakage from back.

The fully covered lamp allows for a simple and unobtrusive design. Comes with integral tightening knobs to ensure precise aiming for years to come.

Connector: Comes standard with 3-Wire H-Type thermo-plastic track connections. Fixture is factory preset for installation on single-circuit track. Contacts may be easily adjusted to install on two-circuit track via pull-up tab. J-Type and L-Type connections are available with extended lead times - consult factory.

Aiming Mechanism: High strength steel side-mount L-shape bracket. With oversize plastic tightening knob to rigidly maintain aiming angle.

Socket: Standard porcelain medium screw base socket with high temperature leads.

Finish: High heat rated baked enamel Available in White and Gold. Custom finishes available with extended lead times - consult factory.
