

LTD7240 - 40W DIE-CAST AZTEC 40 LED LED TRACK HEAD

SPECIFICATION

120V AC 40W CREE LED

Application: High Output architecturally-styled AZTEC LED Trackhead is perfect for applications where powerful lumen output is required. Fully die-cast with integrated heatsink, hardware and wiring for a sleek unobtrusive appearance. Its cosmetic design is similar to other Aztec track products and combines long-lasting beauty and energy efficiency with intense lumen output. Excels at delivering maximum footcandles to objects, spaces and features from longer distances. Ideal for Retail and Commercial applications.

Connector: LITON track fixtures come standard with 3-Wire H-Type track connections. Fixture is factory preset for installation on single-circuit track. J-Type and L-Type connections are available with extended lead times - consult factory.

Driver: Electronic Constant Current driver integrally mounted in fixture casing.

Dimming: Consult Factory

Lumen Maintenance: Minimum 50,000 hours L70 life based on ANSI TM-21 calculations from LM80 standardized test results.

Thermal Management: Effective thermal dissipation facilitated by integral cast-aluminum, heat sink design for maximum heat rejection to provide long LED life.

Color Temperature: LED Diodes comes standard in Neutral white 3,000K +/- 100K. Also available in 4,000K as special order. Consult factory, extended lead times and minimum order quantities may apply.

Safety Labels: UL listed. Suitable for dry locations only.

Warranty: Covered by a 3 Year Warranty to be free of defects in materials and craftsmanship. Recommended for applications where ambient temperatures do not exceed 35°C, installations exceeding this temperature will result in reduced LED lamp life and a voided warranty.

Finish: Available in Black and White.

Beam Spread: Available in Flood, Narrow Flood and Spot.

Label: UL Listed

COMPATIBILITY

LP

1 CCT TRACK CHANNEL

LPC

2 CCT TRACK CHANNEL

Note: Wattage limitations on compatible items must be met.

LED Details:

40W 3000+ Lumens Delivered

Color Rendering Index (CRI): 80

Color Temperature: 3,000K

Lamp Equivalents: 39W CMH MR16, 75W MR16, 39W PAR20/ PAR30, 50W PAR38

Benefit:

- Fully die-cast for high quality, long-lasting beauty
- 3 beamspread options for fine tuning footcandle distribution
- Powerful 3000 lumen output lights objects and spaces near and far
- T4 & T6 performance in a long life, cool running LED track head
