

Power Feeds SLIMTRAK COMPONENTS

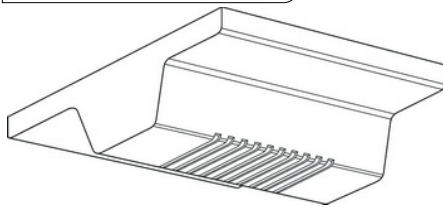

PROJECT INFORMATION

Type :

Project :

Catalog # :

150W Floating Canopy

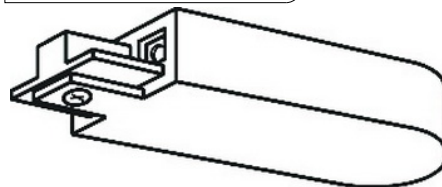

Power feed canopy mounts to standard outlet box, anywhere along track channel.
12V 150W transformer included.

Ordering:

LPS929W White
LPS929B Black

End Feed / Linear Connector

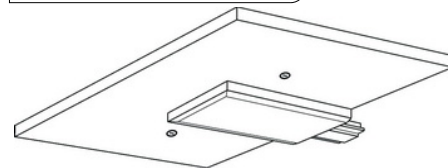

Cap for end of channel.
Included in standard track channel lengths. Can be used as a linear connector.
Requires remote 12V/24V power supply.

Ordering:

LPS930B Black

End Feed w/ Canopy

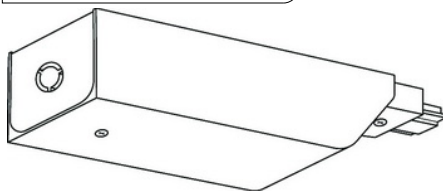

Power feed to track at end of channel.
Covers outlet box.
Comes with standard knock out.
Requires remote 12V/24V power supply.

Ordering:

LPS931W White
LPS931B Black

75W Live End Feed

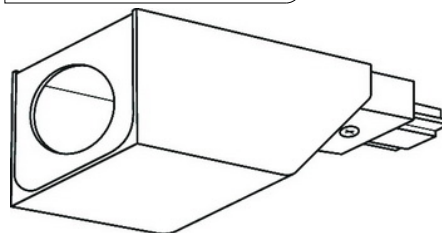

Power feed to track at end of channel.
Comes with standard knock out.
12V 150W transformer included.

Ordering:

Ordering:	Option
LPS941W	White None
LPS941B	Black -PL Plug-In Adapter

Conduit End Feed

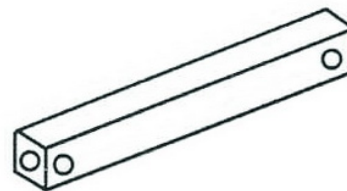

Allows for surface wiring with standard 1/2" conduit.
Requires remote 12V/24V power supply.

Ordering:

LPS980W White
LPS980B Black

150W Endosed Electronic

Enclosed transformer case w/ multiple knockouts. Isolated wiring compartment.

Ordering:

LV150-12AC	120V input; 12V output (AC)
LV150-12DC	(LVT-151AC12)
LV150-24AC	120V input; 12V output (DC)
	(LVT-151DC)
	120V input; 24V output (AC)
	(LVT-151-AC24)
