

0% 2-WIRE DIMMING LED DRIVER

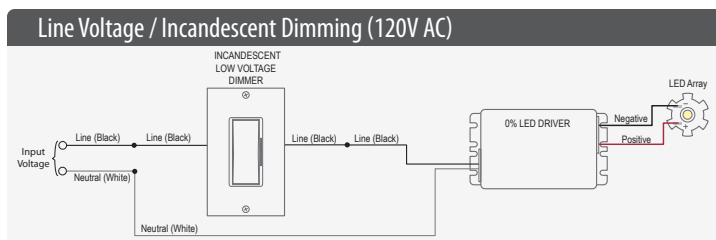

ORDERED AS **-DINPZ** SUFFIX | LED DRIVER | MADE IN USA

Application

For demanding applications that require deep dimming with traditional 2-Wire Incandescent controls. LITON is proud to introduce our proprietary Made-In-USA LED Driver. (Ordered as -DINPZ suffix)

- ▶ Designed for Churches, Auditoriums, Social Halls and Theaters that require smooth low level dimming. Perfect for retrofits that have existing 2-Wire 120V Wiring. All fixtures have been tested with a basic LUTRON S600P Dimmer. (Further tests coming soon)
- ▶ Currently available in 19W, 25W, 30W, 40W and 60W.
